

FOAMTEC MEDICAL

CONSISTENCY | QUALITY | TRACEABILITY

October 23, 2024

TO OUR CUSTOMERS,

For our Sterile CleanWIPE® Foam Swabs (MP1301AST), Sterile CleanWIPE® Medium Tip Foam Swabs (MP1302ST), and our Sterile CleanWIPE® Medium Flexible Tip Foam Swabs (MP1303ST), Foamtec International has completed accelerated stability testing with satisfactory results. We are now able to increase the stated shelf life of the swabs to 5 years from the date of manufacture. The following LOT numbers are extended beyond the printed expiration date to reflect the new shelf life.

Part No.	Lot #	Manufacture Date	Printed Expiry Date	Overlay Expiry Date	Revised Expiry Date
MP1301AST	3801212012	2021-05-09	2024-04-30	2025-04-30	2026-04-30
MP1301AST	3922212112	2021-05-16	2024-04-30	2025-04-30	2026-04-30
MP1302ST	9838012307	2023-02-17	2026-01-31	n/a	2028-01-17

Please contact Customer Service at the number below for information on MP1303ST, or if you have any questions or concerns.

Regards,

Michael Strauss
Vice President Sales/Operations
